ABOUT

I'm a final year Mechanical Engineering student with a passion for technology and innovation. My skill set is as versatile as it is exciting. Proficient in programming languages like #C, C++, and Java, I believe that coding is the universal language of problem-solving. Additionally, I've ventured into the realm of front-end web development enhancing my ability to create engaging digital experiences.

ACHIEVEMENTS

- Secured 1st Position in techFest'23 (SLIET), Hackathon
- Secured 4th Position in techFest'22 (SLIET), Hackathon
- Received certificate for completing Basics of C++ on Coding Ninjas
- Received letter of recommendation for content writing internship at Aadox Pvt. Ltd.
- Received letter of recommendation for script writing internship at Shyarga Films Pvt. Ltd.
